Nutanix's Value Proposition for the Multicloud

Freedom to Choose

Need to Regain Control in a Multi-Cloud World

IT Imperatives

- Lower overall TCO
- Get IT to be more agile and move faster
- Bring full visibility to cloud costs
- Drive business digital transformation
- Meet business SLAs while maintaining control and security

Public Cloud

Private Cloud

Distributed Cloud

The Nutanix Customer Journey

The background features a blue-to-green gradient with a large, stylized 'X' shape formed by four overlapping, rounded rectangular blocks. The top-left and bottom-right blocks are a lighter blue, while the top-right and bottom-left blocks are a lighter green. The Nutanix logo is centered in the upper half of the image.
