Perfect Skin Sleeve

The DICOTA PerfectSkin is a sleeve series protecting notebooks from 12 to 17.3-inch on the move. Its smart design provides well-thought details: The zipper is fitted with an extra surface on the inside to avoid scratches on the notebook. The robust, especially elastic neoprene fits snugly like a second skin to the notebook ensuring optimum protection against scratches and minor damages. PerfectSkin is the ideal notebook companion on the move.

UC&C USB Headset Stereo H650e

The UC&C USB Headset Stereo H650e is the ultimate in style and functionality. Long, uncomfortable work calls are a thing of the past thanks to the cushioned ear pads and crystal clear sound. Adjustable headband and microphone provides the perfect fit for everyone. Optimized for Microsoft® Lync™ the headset displays a red 'in-call' LED to indicate availability, thus helping to boost office productivity.

Wireless Keyboard Set LX960

The Wireless Keyboard Set LX960 is a top of the line desktop solution for lifestyle orientated customers, who want only the best for their desk. This superb keyboard set offers ambitious users more functions and better features than a conventional interface device. It even includes 2.4 GHz technology and 128-bit AES encryption.

Wireless Mouse Touch WI910

The Fujitsu Wireless Mouse Touch WI910 has a special touch sensitive surface that recognizes when your hand touches the mouse even before you move it. This provides nearly instantaneous wake-up from the intelligent energy saving sleep mode. Unbeatable responsiveness combines with features like switchable resolution, and three programmable buttons for a unique user experience.
