

Data Sheet

Fujitsu ESPRIMO P958/power

Extremely powerful desktop PC with superior expandability

The FUJITSU ESPRIMO P958/power Desktop provides high manageability and performance. Its low noise design supports a pleasant working environment, and the high-performance power supply satisfies the needs of your most demanding office applications. With tool-less access to components, front connectors and four full-height slots for additional graphics cards, ESPRIMO P958/power ensures excellent serviceability, ease of use and expandability. Based on German production standards and green IT technology, it uses halogen-free materials showcasing Fujitsu's commitment to environmental protection and sustainability. Its innovative Low Power Active Mode feature facilitates instant communication capabilities in your workplace. On retirement, the Fujitsu distinctive EraseDisk function securely wipes your data.

Expandability

Scale up with ESPRIMO efficiency

- 400W PSU and additional graphics cards allow customization for special use cases and future business needs

Excellent Performance and Energy Efficiency

Best-in-class regarding low power consumption combined with new levels of performance

- Up to 9th generation Intel® Core™ processor family and a highly efficient power supply

Always Available Office PC - stay connected and save power

Be ready for instant communication and a significantly reduced energy bill

- Innovative Low Power Active Mode and energy-efficient integrated power supply

Superior system management

Simple system administration for complex IT infrastructures

- Intel® vPro™ technology (depending on processor) and DeskView manageability suite

Robust Security

Designed to protect data and hardware components against manipulation and theft

- Cable cover with lock option at the back to protect ports, cables and components from theft.
- Embedded Trusted Platform Module (TPM), Fujitsu Authconductor software, EraseDisk software and SmartCard are available as options

Recommended Accessories

Display P27-8 TS UHD		The FUJITSU Display P27-8 TS UHD is perfect for multi-monitor use scenarios with its 3840 x 2160 Ultra HD resolution and the thin bezel housing. The monitor has a 78°/178° wide viewing angle and a 100% sRGB color space to deliver you a consistent high picture quality. Features like ECO function, the DisplayView™ IT Suite manageability software as a range of connectivity options meet the requirements of medium- and large-sized businesses.	Order Code: S26361-K1610-V160
Keyboard KB950 Phone		The KB950 Phone is a modern and slim line USB keyboard with integrated Skype for business features. This extremely reliable, high-speed input device is the perfect way to manage incoming and outgoing calls, even when the system is locked. Three additional keys make it easy to accept and end calls and mute your microphone during a call. Easy number dialing is assured with the numpad. The integrated 61 x 12 mm display shows the time and date, the user status and shows incoming call data in the form of the calling number and caller ID.	S26381-F950-L4** (**: Country specific variation)

More information
