FUJITSU Accessory Workplace Connect Kit 1.0

Connectivity

Clean desk for efficient working

This one-stop shop solution provides customers with a clean and efficient working area in a desktop environment. The FUJITSU Workplace Connect Kit 1.0 eliminates the clutter and limited space associated with excessive computer wires to create a clean, tidy and efficient workplace. It is extremely easy to install, use and maintain giving you maximum usability.

Benefit from the Workplace Connect Kit 1.0

- The Workplace Connect Kit 1.0 provides a flexible solution for people to work.
- The kit includes Workplace Connect Gate 2.0, USB Port Replicator PR08, Dual USB Quick Charge Adapter, Notebook AC Adapter.

Workplace Connect Gate 2.0

- This multi-way connector provides USB Hub functionality from the USB 3.0 Port Replicator PR08. An integrated device charger enables simultaneous USB charging of 2 mobile devices whether that be mobile phones or wireless headset.

USB 3.0 Port Replicator PR08

- The FUJITSU USB 3.0 Port Replicator PR08 is the perfect solution for hot-desk environments. It connects your notebook to all of your peripherals through a single USB 3.0 plug. The FUJITSU USB 3.0 Port Replicator PR08 provides dual graphic performance for two displays and LAN connection. Furthermore it feeds the Workplace Connect Gate with USB Hub functionality.

Dual USB Quick Charge Adapter

- The FUJITSU Dual USB Quick Charge Adapter is a compact and useful tool which allows for multiple device charging with maximum power. So there's no need to seek out extra adapters for all your USB-powered gadgets. This device will provide you with powerful quick-charge capabilities whenever you need them.

Notebook AC Adapter

- This powerful 19 V AC Adapter provides up to 90 W.
- EU Power cord is included.

Workplace Connect Kit 1.0
