Anders Ygeman
Minister for Energy and Digital
Development

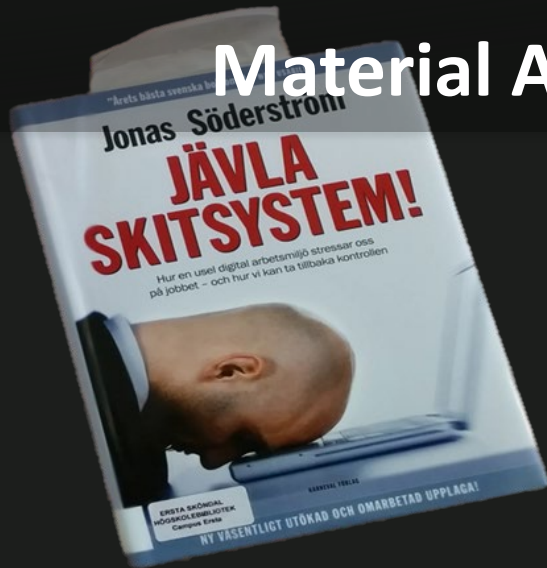

Swedens goal is to have 98% of the households and firm connections to 1 gigabite per second Internet by 2025

Challenge: lack of coordination, not unique for Sweden but 290 municipalities and 21 counties and 345 agencies reinforces this

What is The Swedish Defence Material Administration's (FMV) challenge?

What does The Swedish Defence Material Administration (FMV) do?

NORMA

*Standardiserar och moderniserar IT-stöd för
Ekonomi, Projekt, Inköp, Produktledning
samt Uppföljning och Analys*

Great Possibilities.

Brave
leaders

Be aware
of risks

Competence

Coordination
