Wherever you work, your notebook has to keep up without weighing you down – and keep you secure, too. The FUJITSU Notebook LIFEBOOK U9310 is your light yet powerful business companion.

Why the LIFEBOOK U9310 is the best companion for business professionals on the move:

#1

Be ultra-mobile
The LIFEBOOK U9310 is light enough to carry anywhere – and keeps working as long as you do!

- Lightest notebook in FUJITSU range: 15.5 mm, starting at 920 g
- The best viewing experience is guaranteed by an anti-glare 13.3-inch FHD display, with optional touch or non-touch screen
- Tough as nails: robust magnesium housing
- Work ALL DAY without power socket: full-day battery runtime

#2

Perform to the max
With performance at this level, there's no need for a separate desktop PC.

- Blazing performance despite slimline design
- Latest 10th generation Intel® Core™ processor
- Excellent Connectivity with Intel® Thunderbolt™ 3 USB Type-C connector, full-sized HDMI and LAN connector, embedded WLAN, Bluetooth, global 4G, eSIM ready and Wi-Fi 6

#3

Stay secure
The LIFEBOOK U9310 keeps your company data secure – wherever you are.

PalmSecure

- Embedded PalmSecure® or fingerprint sensor, SmartCard reader, TPM 2.0
- Full HD Infrared camera allows face recognition with Windows Hello
- Kensington Lock support

#4

Look good
Black or red: eye-catching design and fantastic performance go hand in hand.

- Real wow factor: LIFEBOOK U9310 in dazzling red
- Or black too if you prefer!

Prefer even longer battery runtime over design?
Discover the new LIFEBOOK S938.
- Up to 21 hours' battery runtime with modular bay to take second battery
- Starting at 1.19 kg
- Anti-glare WQHD or FHD IGZO 13.3-inch non-touch display or glare touch option
- Powerful performance with latest Intel vPro processor, DDR4 memory technology up to 24 GB RAM
