# FUJITSU Notebook LIFEBOOK U9311

Your Light and Elegant Travel Companion

The FUJITSU Notebook LIFEBOOK U9311 is the featherweight ultra-mobile notebook with 11th generation Intel® Core™ processor technology for business travelers who are always on the move. Available in red and black, it weighs only 885 g and delivers a full day of battery runtime.

## **The slim and feather-light notebook for frequent business trips**

Go on your next business trip with an ultra-mobile notebook that looks great, is incredibly lightweight, and offers fantastic performance with Intel® Iris® X<sup>e</sup> Graphics also for your creative work: The FUJITSU Notebook LIFEBOOK U9311 leaves nothing to be desired in terms of performance and ease of use. With its solid magnesium case it is very durable, and the 13.3-inch anti-glare FHD display also ensures that you have excellent visibility wherever you are. You will especially appreciate the following features when working on the move:

- Ultra-slim and lightweight design
- Maximum security
- Excellent connectivity
- Convenient mobility on the go

Full set of interfaces with full-sized slots, e.g. Flap-style LAN connector, HDMI and SmartCard reader.

## Excellent connectivity

Stay flexible and productive in our hyper-connected world. The complete set of interfaces on the LIFEBOOK U9311 – including global 5G/LTE (CAT 7), Intel® Wi-Fi 6, full-sized Flap-style LAN, and Thunderbolt™ 4 – will keep you connected. For example, you can use the compact and versatile Intel® Thunderbolt™ 4 port to charge your laptop, transfer files at high speed, or connect external monitors and other peripherals, like FUJITSU Thunderbolt™ Port Replicator.

## Maximum security

Are you on a business trip and desperately looking for the right password? Forget it! The LIFEBOOK U9311 gives your sensitive business data better protection with integrated PalmSecure™, the most reliable biometric authentication method. Or you can rely on the fingerprint sensor. Or use the HD infrared camera for face recognition with Windows Hello.

## Convenient mobility on the go

Travel light with the 15.5-mm ultra-thin LIFEBOOK U9311 – it weighs only 885 g with its robust magnesium housing, backlit keyboard and glare-free 13.3-inch (1920 x 1080) FHD display – with optional touchscreen or touchless technology. It's just perfect for business travel. At the same time, all-day battery runtime (with fast recharge – 80% in only one hour), USB charging and high performance with integrated SSDs ensure that you can work productively anywhere, anytime.

Powered by 11th generation  
Intel® Core™ vPro® processors

## The FUJITSU Notebook LIFEBOOK U9311 joins the Ultra-Mobile Premium Family

Whether foldable, convertible or detachable, the FUJITSU portfolio has a traveling companion to fulfill your computing needs both in and out of the office.
