Excellent connectivity

Stay flexible and productive in our hyper-connected world. The complete set of interfaces on the LIFEBOOK U9311A – including LTE (CAT 7), Intel® Wi-Fi 6 and full-sized Flap-style LAN – will keep you connected. For example, you can use the compact and versatile USB Type-C port to charge your notebook, transfer files at high speed, or connect external monitors and other peripherals, like FUJITSU USB Type-C Port Replicator.

Best security

Are you on a business trip and desperately looking for the right password? Forget it! And use the HD infrared camera for face recognition with Windows Hello.

Convenient mobility on the go

Travel light with the 15.5-mm ultra-thin LIFEBOOK U9311A – it weighs only 885 g with its robust magnesium housing, backlit keyboard and glare-free 13.3-inch (1920 x 1080) FHD display – with optional touchscreen technology. It's just perfect for business travel. At the same time, all-day battery runtime (with fast recharge – 80% in only one hour), USB charging and high performance with integrated SSDs ensure that you can work productively anywhere, anytime.

The FUJITSU Notebook LIFEBOOK U9311A joins the LIFEBOOK Family
